

# Extended Learning Opportunities Year 1 Spring Term 2018

Below are some ideas of websites and places to visit that will help your child extend their learning

## *Useful websites*

[www.bbcweather](http://www.bbcweather) To investigate what the weather will be like short/long range

<https://www.youtube.com/watch?v=1BVHPmGlxBQ> – short video about what happens to a letter when you have posted it.

[www.BBC.co.uk/schools/websites/4-11](http://www.BBC.co.uk/schools/websites/4-11). This site has a whole range of activities and games for different areas of interest including maths, literacy, science and art.

## *Local places to visit*

**Investigate your local area** – look at a map of the local area and see if you can find your house or a well known landmark.

**The Local Library** – full of interesting books both to read and to do research with.

**Go for a walk** – look at how the plants, trees and animals change as the weather warms up

## *Day trips*

**A local castle** – Arundel, Lewes, Windsor to imagine what it would be like to be a fairytale prince or princess.  
What would it have been like to live in a castle in the past?

Write a letter and post it at the post office.
