To all Parents and Carers in Nepal Class

Dear Parents and Carers

I am writing to inform you that Mrs Hurst will be leaving us at Easter as she has been appointed as teacher at Farlington Girls' School for the summer term. Although we are very sorry to see her go we wish her every success and happiness in her new post.

Mrs Hurst will be at the parents evenings coming up at the end of term, as normal, and Mrs Hurst will be writing all the reports for the children before she leaves. You will receive these along with the rest of the school in July. I am grateful to her for making this commitment as she is not obliged to do so; it is a reflection of her professionalism that she will not leave without making sure everything is in place for the class.

For next term, Nepal class will be taught by two teachers, Mr Butt and Mrs Schruyers. Both are experienced teachers who have taught across KS2 and both are excited about taking the class. In order to ensure the children have the best term, both teachers will be coming in before Easter to spend time with the children and to liaise closely with Mrs Hurst before she leaves.

Mr Butt will be taking the class Monday to Wednesday and Mrs Schruyers will be taking them Thursday to Friday. The class will have PPA as normal on Wednesday afternoons and both teachers will be planning with teachers in Year 5 to ensure the children continue to make good progress.

I know that you would want to join me in thanking Mrs Hurst for all her hard work over the year, and the years, with Nepal class and BPS. I know that her new school is lucky to have her.

Yours sincerely

Helen Williamson
Headteacher
