14<sup>th</sup> December 2017

Dear Parents/Carers,

### **Ancient Greek Day in Year 3**

Next term in Year 3, we will be learning about the Ancient Greeks. To start off our topic we will have an Ancient Greek day on Monday 8<sup>th</sup> January. To enhance their experience, we would like the children to come dressed up in an Ancient Greek themed costume; this might include being a Greek god or goddess or a soldier.

Throughout the day the children will be learning about Ancient Greece through a variety of activities. They will be participating in Greek food tasting; sampling and making foods such as pitta bread, tzatziki, hummus, feta cheese and olives. They will also have an opportunity to enter into a 'mini Olympics', by taking part in a variety of sports from the Greek times. Finally, the children will be able to get involved in an arts activity, study Ancient Greek architecture and preparing to make prints of Greek columns.

If you have not done so already, please ensure your child's teacher is aware of any food allergies they may have. If you would prefer your child not to sample the food, we should be grateful if you could let your teacher know by Friday 5<sup>th</sup> January.

With thanks,

The Year 3 team
