22nd September 2017

Dear Parent/Carer,

The PE team would like to wish you all a warm welcome back to the new school sporting year. As in previous years, we intend to enter as many locality events as we can, in order that we have as many children as possible represent Billingshurst Primary School. This will be in a wide variety of sports, some competitive and others as an introduction to different ones.

Most events will be away from the school and we will need parental help with transport during daytime competitions. (For activities after school, it will be the parent's responsibility to drop off and collect their children.) Unfortunately last year we had to withdraw from a number of events as, sadly, we did not have enough volunteers. Parents driving will need to provide the following documents for the school to take copies of (if they have not already done so):

- Current Insurance certificate
- MOT certificate
- Driving licence

Those parents driving will also require a current valid DBS with the school. Please think about this before registering your child's interest.

Attached to this form is a list of events that we have entered this term. Could you speak to your child to see if they wish to represent the school and in which sport? There will usually be opportunities for experienced players (those who play for local teams) and novices. Depending on how many pupils register an interest, we will hold trials, if required, to select the different teams. It is really important that, if selected, your child replies as soon as possible, even if declining – so that other children can be selected in their place. Unfortunately, again, we had to withdraw from some events due to letters not being returned in time.

Yours faithfully,

Mr Buckler
