

# Year 5 Homework - Doorways to Discovery - Autumn 2017

Your homework for this term is **YOUR CHOICE!** We have given you **9 activities** to choose from and would like you to complete at least three over the term. We are hoping you will put in a lot of effort for each piece and you will enjoy presenting your homework to the rest of the class and sharing all your hard work. Challenge yourself with a variety of tasks. Recommended dates for handing in homework tasks are Friday 13<sup>th</sup> October, Friday 10<sup>th</sup> November and Friday 1<sup>st</sup> December.

## Room Creation

Imagine you are Daniel and you can design your own room in the Emporium. What name would you give it? Which features would you have and why?

## A Disaster Fact File

Create a presentation on a natural disaster. What caused it, who did it effect and what were the after effects?

## Model-Making

Make a model of an artefact from the Indus Valley - where is this and why is it important?

## Your choice

Our topic is Doorways to Discovery - what can you produce that reflects our learning themes this term?

## Food Challenge

Design and bake a new type of cake that could be served and eaten in The Nowhere Emporium.

## Game Play

Create your own Nowhere Emporium board game. Decide: what the board will be, number of players, adventures, obstacles, rewards, quiz questions, etc.

## A Daniel Rap

Compose and perform a rap (perhaps with a friend or friends). Choose to video it at home or perform it live in front of your class.

## Partner Filming Fun

There is no film of The Nowhere Emporium. Write a script and then produce a movie of one or more of the scenes (no more than ten minutes).

## Story Time

Write an imaginative story about one of the visitors to The Nowhere Emporium. Make sure you describe the person, the room they went into and the adventure they had.
