13th June 2017

Dear Parent/Carer

Reception/Key Stage 1 Sports Morning – Tuesday 4th July

Reception and Key Stage 1 will be holding their Sports morning on Tuesday 4th July between 9.30am and 11.00 am on the school field. The day will commence with a circuit of track and field events with the emphasis on competitive fun. Children will be competing for their House teams; Cowdray (yellow), Parham (red), Petworth (purple) and Goodwood (green). If they have PE tops in these colours they should wear them otherwise we ask that they wear a top in their house colour if possible.

You are welcome to attend to watch your child/children on 4th July but we would request that you stay outside the coned off areas to allow the children to participate fully and to make maximum use of the space available.

Please ensure your child/children have the following for the day:

- School PE Kit/correct coloured top
- Sun hat
- Sun cream (applied in the morning and for further application)
- A full water bottle

There will be drinks stations available for the children to refill their bottle throughout the morning.

Should there be inclement weather on the day a reserve date of Tuesday 11th July has been allocated.

We look forward to seeing you there.

Yours Sincerely

Helen Williamson
