

# Bears

Year 1 Homework

Autumn Term 2016

## Welcome to your Autumn Term Homework.

This topic will last for a term. We hope you enjoy the tasks and look forward to sharing your children's work with the class. These are only ideas. We will share all work that the children bring in from home. Obviously sometimes there are days when we have more time than others so please do not expect your child to have shown it on the day it comes in.

Possible Homework dates : 19<sup>th</sup> September, 3<sup>rd</sup> October, 17<sup>th</sup> October, 7<sup>th</sup> November, 21<sup>st</sup> November, 5<sup>th</sup> December

1

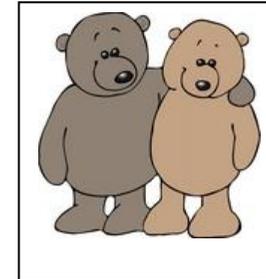

### Let us know

Tell us about your favourite book. Why do you like it? Who wrote it? Is the illustrator someone different? Has the author written other books?

2

### How many legs in your house?

Tell us about how many legs are in your house. You could show us with pictures or write about it. Don't forget to show us the maths you have done!

3

### Can you find out?

Tell us about a famous person from your class country.

4

### What is healthy?

Design a healthy meal. Find out what is 'healthy' eating. Create a plate of food that you could serve at a healthy eating meal. You could create a collage of pictures, make the food to go on your plate or draw your healthy meal.

5

### Design and make a picture about you.

Draw or make a den suitable for a teddy bear to hibernate in. What will the bear need? How big will it be? What is it made out of?

6

### Design a stretching routine.

Design your own stretching routine. If you were a bear that had been asleep for months and months, you would need a very good stretch when you woke up. Give a list of instructions for someone else to follow. Perhaps you could draw or take pictures of how to do the stretches
