9<sup>th</sup> May 2017

Dear Parents/Carers,

In the next few weeks, your child will take Key Stage 1 NCT tests. Your children have already taken a series of practice papers before half term so they should not regard this as anything out of the ordinary. We will administer the tests over a period of two weeks before half term.

The children are not required to do any extra work at home and we strongly suggest that you do not ask your child to do any of the old papers available on-line.

The NCT tests are a legal requirement and the results are used to inform the final end of year teacher assessment which is based on a collection of work that show the child's achievements. If you have any questions regarding the Key Stage 1 NCT tests, please do not hesitate to ask your child's class teacher.

Thank you for your continuing support

The Year 2 team
