

SCHOOL SECURITY POLICY

STATEMENT OF INTENT

The Governing Body recognises the need to ensure the safety of every pupil, member of staff (permanent and temporary) and visitors to our establishment. We also recognise the importance of protecting the buildings and contents.

The Governing Body recognises that it has certain legal duties under the Health and Safety at Work Act 1974 and subsequent relevant legislation and will endeavour to fulfil this obligation.

This policy will not only apply to those working on the premises but to those engaged in off site activities, sporting events and home visits. The Governing Body wish to make it clear that, whatever form and for whatever reasons - **violence is unacceptable.**

We are committed, so far as is reasonably practicable, to reducing the risk of violence and improving security by the implementation of this policy. Risk assessments will be undertaken to identify areas of concern and the appropriate control and preventative measures to be taken. These controls will include training, guidance and advice, codes of practice, physical measures and legal guidance.

Violence is defined as any incident in which a person or a member of their family is subjected to verbal abuse, threatening behaviour; harassment or actual physical assault in circumstances relating to their work. The Governing Body will be fully supportive to any members of staff or pupils who have been subject to violence at work. The effectiveness of this policy will depend on people to implement it and make it work successfully. This will involve every member of staff working together in a positive security and safety culture as part of a team.

Any member of staff, pupil or parent who has any suggestion for the improvement of policy or security arrangements will be welcome and encouraged to pass on that information to the School. A copy of this policy will be permanently held in the staff room. This document is supported by the WSCC document entitled 'Managing Security to Protect Users of Establishments'.

This policy will be reviewed at least once a year and upon significant change of circumstances.
