Each link will have the full curriculum plus video links to our You Tube account where there will be daily videos to support the learning. The children in school will be following the same curriculum. We continue to have our Flexible Friday approach and the optional homework sheets will support ideas for independent learning on a Friday for all year groups.

Please contact teachers through the year group email. Teachers who are not in school at any one time will be available to support with any questions, support or concerns. They will get back to you as soon as possible. There will be additional support for children with SEND via the class teacher and the intervention teachers in each year group – please use the same email.
