Here There, Every Bear Year 1 Homework Autumn Term 2019

Welcome to your Autumn Term Homework.

This term we are learning about bears both real and fictional. Here are some suggested activities you could work on together at home. We hope you enjoy the tasks and look forward to sharing your children's work. These are only ideas. We will share all work that the children bring in from home. Sometimes there are days when we have more time than others so please do not expect your child to have shown it on the day it comes in.

Let us know

Tell us about your favourite bear themed book. Why do you like it? Is it fiction or non-fiction? Who wrote it?
Has the author written other books?
Who is the author?

How many legs in your house?

Tell us about how many legs are in your house. You could show us your findings with pictures or by writing about it.

Can you find out?

Tell us about a famous person or fact from your class country.
For example an artist, town or famous landmark.

What sort of bear would you like to be?

Imagine you are a bear what type of bear would you like to be? Where would you live? What would you eat? Could you make a model of your home?

The three bears

Which is the tallest bear?
How many ears altogether?
How many paws in total?
Where did the bears go for their walk?
Draw a map.

Have you got a favourite bear?

What is your bear called?
How long have you had it?
Have other members of your family (mum, dad, aunt, uncle, grandparents) got a special bear too?
