

## Year 3 Optional Homework Autumn Term 2020

This term homework is linked to our Who are you calling weird? The topic includes the Stone Age and Weird Animals- which we will start after half term. We have spent some time discussing the children's interests and the kinds of things **they** would like to do to extend their learning at home. Using the children's ideas, we have revised the homework choices. We really hope the children will engage with these tasks and enjoy completing the activities.

From the 9 tasks below, choose 4 to complete over the whole term. There will be at least 2 weeks to complete each task, so we expect that care and effort is taken to complete the assignment. Unless specified, the choice of presentation method is left to you. The hand-in dates are as follows:
