

Communication and Language

As developing communicators, the children will be hearing new language and trying it out in a range of contexts. They will be supported to become comfortable speaking and listening to their peers and familiar adults.

Summer 2

Reception

There's a bug on the loose!

Personal, Social and Emotional Development

We will support the children as they learn to look after their bodies, including learning about the importance of healthy eating. They will manage their personal needs independently.

Literacy

Through our key texts, the children will explore rhyme and storytelling. They will become quicker at decoding words when reading and recording their thoughts and ideas independently.

Key Texts will be a variety of Julia Donaldson books and Non-Fiction text.

Physical Development

Through games which involve both gross and fine motor skills, the children will develop healthy bodies alongside social and emotional wellbeing. They will be encouraged to explore small world, puzzles and construction equipment.

Mathematics

As mathematicians, the children will explore numbers to 10 understanding their relationships to each other. They will fully understand that number can be added and subtracted to make other numbers.

Understanding the World

This term, we will be continuing to grow our own vegetables and flowers. The children will observe the changes in our outside area and find out about insects and other minibeasts.

Expressive Arts and Design

Through frequent a varied experiences, the children will hear and participate in all areas of the arts. They will be encouraged to interpret and appreciate what they hear, see and create.
