Thursday 22nd October 2020

Dear Parents and Carers,

The Reception children are now in houses. They will work as part of a team across the school earning 'house points' for showing behaviours in line with our school values which are kindness, happiness and a love of learning. We encourage them to spread kindness by treating others with care and happiness by helping each other. We wish for them to share our whole school love of learning by always trying their best and asking lots of questions.

In addition to this, they will work in house teams at whole school sports events. At these events (which would take place next Summer) they will wear a t-shirt which represents their house.

Goodwood	=	green
Parham	=	red
Cowdray	=	yellow
Petworth	=	purple

Your child is in house

T-shirts with the school logo are available from sussexuniforms.co.uk. It is not essential to buy one until the sporting events next Summer but the children may wear a 'house' t-shirt for PE lessons if they wish. Alternatively, the children may wear a plain white t-shirt for PE.

After half term, the children will be doing PE lessons. The COVID risk assessment means that they will be outdoor lessons so the children will need to wrap up warm! Please provide a drawstring PE bag for your child with navy tracksuit bottoms, a t-shirt (either a white one or your child's house colour) and some plimsolls. The children do not need a tracksuit top as they can wear their school jumper.

Many thanks,

The Early Years Team
