

School reopening: risk assessment template

The example measures we list are based on current (as at 28th Aug 2020) government guidance:

- > [Guidance for full opening: schools](#)
- > [Guidance for full opening: special schools](#) (this includes guidance on pupils with EHC plans that should be useful for mainstream schools as well)
- > [Actions for early years and childcare providers during the coronavirus outbreak](#)
- > [Actions for education settings to prepare for wider opening](#)
- > [Implementing preventative measures in education settings](#)
- > [Planning guide for early years and childcare settings](#)
- > [Planning guide for primary schools](#)
- > [Guidance for secondary school provision](#)
- > [Safe working in education settings](#)

RAG rate control measures

Mark up each control measure in the appropriate colour, to make it clear how prepared you are for each measure being in place for the autumn term.

- > Red: this measure cannot be put in place in our school
- > Amber: this measure isn't in place yet, but can be in place for the autumn term
- > Green: this measure is already in place

5. Spreading infection due to excessive contact and mixing between pupils and staff in lessons		<p>Due to the size of the school and number of classes, it is not logistically possible to operate 21 bubbles. We will operate 7 year group bubbles and within these we will minimise contact between classes. Not contact will be made between classes except outside – social distancing will be encouraged outdoors. The only time that these classes will meet as a year group is outside at break and lunchtime when potential infection risk is lower.</p> <p>EYFS is an open plan unit of three classes. In order to fully implement the EYFS curriculum, the EYFS will act as a bubble and there will be contact between the three class groups. EYFS has a dedicated outdoor space so there will be no contact between EYFS and other year groups and they will also have a dedicated start and finish time. It is recognised that children in Reception cannot easily distance. Staff will also find it difficult to social distance from the children.</p>	<p>Headteacher Implementation: Class teachers Year leaders</p> <p>EYFS staff and Leader</p>	<p>1st Sept 2020</p> <p>1st Sept 2020</p>	<ul style="list-style-type: none"> Separate break and lunchtimes with zoned outdoor spaces to ensure bubbles do not mix Staff should do their utmost to ensure that have some distance (.1m) between themselves and the children. PPE will be provided for staff who have to have close contact with children, potentially across bubbles (MMS, first aiders, staff supporting intimate care).</p> <p>Pupils will be seated appropriately to ensure that they can engage in learning and not be face on to another child.
