

October 2020

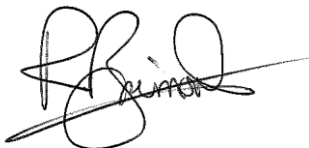

Dear Parent/Carer,

Virtual Open Evening - 24 September

This year we ran our Open Evening event differently and we want to know what you thought about the materials we shared with you and how effective they were in helping you make a decision about our school. I would appreciate your feedback using [this online form](#).

Our Open Evening materials will be available via the link from our website for a few more weeks to allow you time to revisit the videos ahead of the closing date for secondary school applications.

Yours faithfully

Mr R Brimacombe
Assistant Headteacher
