

# EYFS Newsletter - Friday 20th June 2025

Ambition Belonging Courage

## In Drawing club...

We have enjoyed finding out about 'Lifesize, deadly animals', learning new vocabulary such as: apex, venomous, ferocious, predator, rotting and cute. We have been finding out about different animals in the story, where they live, how they behave and what they like to eat! Ask the children to show you their actions for the vocabulary and to tell you about the facts they have learnt.

## In maths ....

We have been learning to sort, organise and write numbers to 10 and beyond, going up to 20. We have been thinking about the order of numbers and why certain numbers have to go in a certain order. We have been sorting odd and even numbers, organising numbers onto a number line, finding out one more and one less than a given number and doubling and halving numbers. We have been reminding ourselves how to say teen numbers correctly!

## Other areas of learning...

The children have been immersing themselves in different activities linked to 'lifesize, deadly animals'. We have been inventing our own animals by mixing different animals together. Whilst finding out about different animals we have been looking closely at animals skin and fur, we then had a go and recreating this using different mediums such as pastels, paints and crayons. We all worked really hard during sports day and enjoyed all the activities! We have enjoyed joining in with daily 'wake and shake' sessions with the rest of the school and yoga activities too!

## How to help at home...

Find different numbers in the environment, ask your children what each number is. What is one more than the number, what is one less than the number? Find an amount of objects around the house. Work together to share them out and talk about doubling and halving.

## Key dates:

### Games morning -

The next games morning will be on

**Friday 4th July  
(the final one)**

Please remember to send your child in with a sun hat and suncream already applied.

Ambition Belonging Courage

## Reminder:

Please can you remember to cut your child's grapes in half lengthwise if they are bringing them in as a snack or in their lunchboxes due to them being a choking hazard.
