Ambition Belonging Courage

In Drawing club...

We have enjoyed reading 'The elves and the shoemaker', learning new vocabulary such as: magical, create, helpful, design, exhausted and sewing. We have been using our imaginations to think about where the elves might go back to after leaving the shoe makers and who they might meet on the way. We have been using our tricky words display to help us when writing these words during drawing club, we have been challenging ourselves!

In maths

This week we have been looking at sequencing events. We started by re-telling and ordering our drawing club story. We then moved on to look at our class routines and daily timetables. Finally, we looked at our own routines. Thinking about what might be the same from family to family and what might be different. We had some wonderful conversations around bedtime routines, and what we have to do. We worked independently to sequence our bedtime routines!

Other areas of learning...

The story we have used this week has inspired many of the children to re-create their own stories, which they have been reading to the class, behaving like a real-life author! We have also put into practise the skills we have been learning in our creative time, such as cutting, scrunching and designing. We have used these skills to help us design our own dream pair of shoes. We spent the whole of Tuesday morning in our new Year 1 class, it was great fun and we got to explore our new classrooms! We have been exploring our outdoor area and working together to make new creations and spot changes in nature.

How to help at home...

Think about how your day could be sequenced at the weekend. Is it different to a weekday? Why? How?

Find out three fun things to do in Year 1 by asking your child.

Explore an outdoor space near your home; write down what you saw, share this with us in school!

Key dates:

Games morning -

Monday 30th June

Transition to Year 1

talk

3:30pm

The final games morning will be on

Friday 4th July

Please remember to send your child in with a sun hat and suncream already applied.

Reminder:

Please can you remember to cut your child's grapes in half lengthwise if they are bringing them in as a snack or in their lunchboxes due to them being a choking hazard.
