Ambition Belonging Courage

## This week in Drawing Club ...

We have looked at the nursery rhyme 'Hickory Dickory'. The children loved repeating the rhyme in class and creating actions for the song. The children have been inspired by the idea of clocks and have been attempting to make their own clocks during explore and learn time. We have looked carefully at the clock face and some children even made the connection between the numerals on the clock and the numerals we have been looking at during our maths learning. New vocabulary this week - up, round and clock hands.

## This week in Maths ...

We have been looking at how to make the numbers 2, 3 and 4. The children have been thinking about how many 1's make up each number. For example, 1 and another 1 make 2. We have been going on hunts around the Early Years to see if we can find objects that come in pairs, for example 2 shoes or 2 hands. We then moved to look at the number 3, and making groups of three. Thinking about the story of Goldilocks and the 3 bears at home you could see if you can make collections of 3. As a family you could play the game, 3 or not 3? Have selection of items, and see if your child can correctly recognise groups of 3.

## Other learning across the week...

We have been looking at Autumn and the changes that are happening around us. We have introduced the children to watercolour paints, and the children have loved looking at our autumn trays and trying to recreate their own autumn item using the paints. We have also created an outside painting area so the children can use their new skills outside.

## Ways to help at home ...

At home you could make your own collections of autumn items. How many conkers can you collect?

## Key dates:

Parents evening - a letter about this will be coming out shortly but the dates are - 15th and 16th October

Ambition Belonging Courage

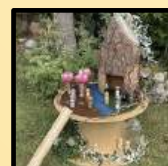

## Our week in photos...

## Notices:

We are creating an **imagination station** in the Learning Garden and we need your help! We are looking for cable drums, tree stumps and any paint for outside (for example, cuprinol). If you have anything please come and talk to your child's teacher.

Thank you!
