Dear parent/carers,

We are writing to inform you that at Billingshurst Primary Academy, through the Sussex Learning Trust, we have access to a speech and language therapist called Emily Folan, SaltPost Ltd.

Emily will be working across all 3 of our Early Years classrooms to support staff in:

- Implement universal strategies to develop children's early communication skills
- Identify which children may benefit from targeted intervention

Please speak to your class teacher if you have any questions OR if you do not wish for your child to be part of our early speech and language support.

If we do not hear from you, we will assume that you are happy for your child to be part of the conversation around speech and language support within Early Years.

Kind Regards

EYFS Team
