Ambition Belonging Courage

## This week in Drawing Club ...

We have been looking at the traditional tale *'The Three Little Pigs'*. The children have enjoyed looking at this story as it is familiar to them. They have also enjoyed exploring different versions of the story. This has led to lots of conversations about what was the same and what was different in the different texts.

The children have also enjoyed being builders this week. We have been using large scale construction and we have also been focusing on using junk model materials to make our own houses.

**The new vocabulary this week** - sly, architect and petrified

## This week in Maths ...

We have been looking at our number blocks to 5, and thinking about how these numbers are made. The children have created their own number blocks. At first creating a stair pattern. The children then challenged themselves to see if they could make the number blocks but in different ways.

We have also been exploring how to write our numbers. We have been focusing on ensuring that the numbers are all starting in the right place.

## Other learning across the week...

We have continued to practise our Christmas Nativity songs. We even went into the hall to practise on the stage. The children are so excited to show you what we have been working on.

Also this week the children have been working on showing kindness to their friends. They have come up with games where they can invite friends into play. It's been wonderful to see!

## Ways to help at home ...

You might like to get your child to practise writing their numbers to 5 and then to 10. If you were to cover up one of the numbers can your child work out what number is missing?

## Key

## information:

**Christmas Show -**  
**'Simply the Nativity' -**

**Tuesday 9th**  
**December starting at**  
**9.30am.**

A letter has been sent home about this.

Please can we have named christmas clothes to school by monday 1st December.

We will be giving out tickets for the show very soon!
