

EYFS Newsletter - Friday 19th December 2025

Ambition Belonging Courage

This week in Drawing Club...

We have looked at the classic story of *The Snowman*, by Raymond Briggs. We looked at different variations of the book. From comic strips to books with words. We have even watched the original snowman movie. The children loved to come up with exciting ideas for what their snowman would do if it came to life. They planned day trips to the beach and some even planned to have whole snow families.

New Vocabulary - floating, glistening and melting

This week in Maths ...

We have been exploring time. We have looked at the seasons, months, and days of the week.

The children have been thinking about their days, and the jobs they do in the morning and in the afternoon. For example, we thought about when you brush your teeth or when you might be allowed to watch television.

The children enjoyed coming up with their own timetables.

Other learning across the week...

As you can well imagine the levels of excitement over the Early Years classrooms has been incredibly high this week. We have loved looking at different Christmas stories every day. The children have also been using their cutting skills to make snowflakes. Throughout the week the children have been using all of their artistic skills to make baubles.

Ways to help at home ...

Over the holidays we hope you all have time to stop and relax with your children. Enjoy the magic this festive season brings and make wonderful memories as a family.

Key information:

Return to school

Tuesday 6th January
2026

Have a wonderful
Christmas Break!
The children have
been incredible this
first term!
We look forward to
welcoming them back
in the New Year.
