Ambition Belonging Courage

## This week in Drawing Club ...

This week we have enjoyed reading the story The Tiger Who Came to Tea. The children have been setting up their own tea parties and writing invitations for their friends. They have enjoyed retelling the story, exploring the characters and setting, whilst writing simple sentences using the sounds they know.

## This week in Maths ...

This week in maths the children have been investigating the concept of time in its broadest sense. We have been looking at the days of the week and putting them in order. We have been exploring daily routines and the differences between night and day.

## Other learning across the week...

The children developed their fine motor skills and their understanding of healthy and unhealthy foods whilst making their own sandwiches. They had a fabulous time sharing them over a glass of squash at our tea party.

## Ways to help at home ...

At home, you may wish to have your own tea party. Can your child help prepare the food?

Talk about the jobs you do in your home in the morning and at night.

Draw a tiger and label it's body parts.

## Key dates:

**Friday 6th February**  
8.40-8.55

Help your children develop their fine motor skills.

**Friday 6th February**  
Bring a teddy bear to school.

Next week we are reading a bear story and would like you to be a teddy bear (no bigger than your child's tummy) in on Friday.

**BEARS ONLY PLEASE!**

## Our week in photos...

## Notices: Please Help!

We are hoping to replenish our **garden toy resources**.

We are looking for toys such as animals, vehicles, duplo, obstacle course equipment (e.g. tunnel, stepping stones) and sand and water toys (for filling and pouring opportunities).

**Any donations would be hugely appreciated**

Thank you!
