

# EYFS Newsletter - Friday 27th February 2026

Ambition Belonging Courage

## This week in Drawing Club ...

This week we have been looking at the story 'Wow! said the owl'. We have been learning about the colours of the rainbow. We have been exploring mixing colours and learning about primary and secondary colours..

## This week in Maths ...

This week we have been learning three important early number skills, consequential counting, 5 and 10 and ordering numbers to 10. These foundation concepts help children build confidence and fluency with numbers.

## Other learning across the week...

In the garden, the children have been busy making different obstacle courses and exploring different ways of moving over it. The children have been carrying bean bags on their heads along the course and practised throwing the bean bag to each other. We noticed some signs of spring in the garden, such as bulbs shooting up and buds appearing on the trees.

## Ways to help at home ...

Get the children to show you 7 on their fingers, can they explain how it is 5 and 2 more? You could use small objects like pasta, buttons or toys. When walking up the stairs, start at 4 and keep going! Write numbers to 10 on small pieces of paper and mix them up. Can your child put them in the right order. Hide one number and get your child to tell you which one is missing.

## Key dates:

**Friday 6th March**  
**Together Time**  
**8.40-8.55**

Help your children develop their fine motor skills.

Ambition Belonging Courage

## Our week in photos...

## Notices: Please Help!

We are hoping to replenish our **garden toy resources**.

We are looking for toys such as animals, vehicles, duplo, obstacle course equipment (e.g. tunnel, stepping stones) and sand and water toys (for filling and pouring opportunities).

**Any donations would be hugely appreciated**

Thank you!
