Ambition Belonging Courage

In drawing club this week...

Well, as you have probably heard we did not do drawing club this week but have been writing about the lovely animals that visited us from Little Sherwood farm. The children spent time grooming, feeding and generally getting to know a lovely selection of very well behaved animals.

In maths this week...

We have been using all our maths skills to solve some problems related to farms and farm animals. The children have added, thought about one more and one less and used words like more and fewer. We investigated how many legs different farm animals had and then worked out a total of animals in a field or pond. The children have risen to the challenge and many have chosen to draw their answers.

This week we have been learning...

The other exciting thing to happen in the Early Years area this week happened on Tuesday when Joe from Incredible eggs delivered a very precious package. We received 8 eggs to incubate and observe. We were so excited when on Wednesday they began hatching. First one and then another. This is such a wonderful way for the children to observe the beginnings of life with all its awe and wonder. We now have 8 very noisy little chicks.

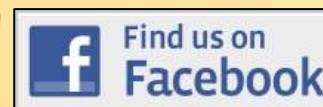

How to help at home...

When you are out and about look to see what farm animals live near you. Are they in the fields? Do they have any babies? Talk about the wild birds that will be starting to nest. You may see them collecting items to make a nest or rushing around collecting food for a young brood. Note that you can see some nests at the top of trees while others are hidden in hedges and bushes.

Key dates:

PE day is still Thursday. Please ensure your child has a jumper as we will be going outside for PE this term.

Ambition Belonging Courage

Our week in photos...

Notices: Please Help!

We are hoping to replenish our **garden toy resources**. We are looking for toys such as animals, vehicles, duplo, obstacle course equipment (e.g. tunnel, stepping stones) and sand and water toys (for filling and pouring opportunities). **Any donations would be highly appreciated!** Thank you!
