

Dear Parents/Carers,

BuildLab™ Engineering Club

Powered by Techy STEAM Explorers and part of the TechyTots group

Mondays

Years 1 - 4

Techy STEAM Explorers are delighted to be bringing our exciting BuildLab™ Engineering Club to your school.

BuildLab™ is a hands-on STEM club where children become engineers, inventors and problem-solvers through creative LEGO® building challenges. Children will design, build, test and improve their creations whilst developing teamwork, resilience and critical thinking skills.

Each week features a different engineering challenge to keep children engaged and inspired. Children may build bridges, towers, vehicles, machines and other exciting creations as they explore the principles of engineering and design in a fun and practical way.

BuildLab™ sessions will be running on Mondays 3.15 pm to 4.15 pm at a cost of £126.75 for the term.

Dates -Monday 14th of September to Monday 14th of December. (Excluding half term 26th October).

To book your space, please follow the link <https://pbbl.uk/3SD6Csk>

Spaces are limited, so please book as soon as possible. Places will be allocated on a first-come, first-served basis.

Why Choose BuildLab™?

Hands-on LEGO® engineering challenges

Develops creativity and problem-solving skills

Encourages teamwork and communication

Supports STEM learning through play

 New challenge every week

Kind Regards,

Sarah Hamilton
