Ambition Belonging Courage

Welcome to Early Years at Billingshurst Primary Academy!

This is our first newsletter of the new academic year, and we wanted to take this opportunity to say WOW!

Your children have been incredible. They have come into school confidently and happily. It has been a pleasure to see. Thank you for being so supportive and encouraging over the last week. It has been wonderful to welcome you all and we are excited to have this year with you

Ask me about ...

Every week we will try and give you some prompts that you can ask your children. We hope that this will help to create discussions in your home and a chance for you to learn a little bit more about what they are doing in school.

Ask me about ... our safety circle outside in the Learning Garden.

Ask me about ... our shaker and what we have to do when we hear it.

Ask me about ... what learning we can do in the Den.

How to help at home...

Books - At home remember to share stories with your child. Give yourself time as a family to talk about the stories, thinking about what you have all liked in the story.

Routines - These are key at this time of year. Your child will be tired from school, try and make time to rest and relax as a family.
