

Parent Payment Portal - Website Info

Please use the link below to access the Parent Payment Portal.

<https://sussexlearningtrustpaymentportal.co.uk/login.aspx>

If you haven't already received your registration information, you will need to request this by emailing admin@billingshurstprimary.org.uk.

To register, you need to click on the 'registration' link and create an account. Please note the password requirements information as they are specific and you cannot use any slashes.

The screenshot shows the 'Parent Portal' login and registration interface. It features a blue header with the text 'Parent Portal'. Below the header are two input fields: 'Email Address' with an envelope icon and 'Password' with a key icon. A blue button with the text 'Sign in using our secure server' and a user icon is positioned below the password field. Below the button, the word 'Registration' is highlighted with a red rectangular box, and the text 'Forgotten Password' is visible to its right. At the bottom, there is an information icon (i) followed by a message: 'For some parents the card payment page is being blocked. This seems to be a security feature of some mobile phones and occurs when this website has been opened from a link in an email. If this is happening to you, please try copy-and-pasting the link for this site into your web browser instead.'

You will then need to use the registration code and account code provided to add a pupil. You will then be able to view and make payments for any trips.

This is the same portal that is used to book The Willows wraparound care, if you already have a login for this - you do not need to create another account.
