

EYFS Newsletter - Friday 6th November 2026

Ambition Belonging Courage

Key dates:

Mon 9th Nov - 9am - Phonics lesson in your child's class

Wednesday 18th November - 2.45pm - writing workshop in Early Years.

Thurs 26th Nov - 9am - Maths lesson in your child's class

Tues 8th December - EYFS Christmas show

Welcome back -

We hope you all had a wonderful half term break. Thank you for sending in your pictures of what the children were up to. We have loved sharing these in your child's class.

This is a very exciting and busy half term and we cannot wait to share with you all of the amazing learning that we get up to!

This week in Drawing Club -

The children have enjoyed being immersed in all things oceans. We have looked at the book *Commotion in the Ocean.* This has inspired some wonderful artwork, from making jelly fish with long dangling tentacles to creating fish with shiny scales.

The children have also loved looking at a range of information books and talking about their favourite sea creature.

Our new vocabulary this week has been - Creature, curious and commotion.

Ask me about -

Why we celebrate Bonfire night.

What my favourite sea creature is and why.

Our safety rules at snack time.

This week in Maths -

This week we have taken the opportunity to explore 0-4 in greater depth. Looking at a group of objects and being able to explain how many objects are in the group. For example -

"The five frame has 4 flowers in it, I know it because there is one space left and 4 and one more is 5."

"I have a group of 3 counters because I can make them into a triangle shape."

"I know I have 4 bears because I can see 2 yellow ones and 2 blues ones and 2 and 2 make 4"

Other things we have enjoyed this week -

We have looked at why we celebrate Bonfire night. The children loved watching a firework display on our whiteboards. They then spent time talking to their talk partner about what they saw. Including shapes and colours.

We have also made lots of firework art this week. We have used a range of skills, including sticking and cutting, drawing and smudging chalks to create an effect.

The children's favourite way to make fireworks was to use glitter!
