To the Parents and Carers of Scotland Class

Dear Parents and Carers

I am acutely aware that you have not yet had the opportunity to meet your class teacher for the parents' evenings that were cancelled due to Mrs Aichroth's absence. I had been hoping to arrange these for this term but the current Covid concerns mean that, at present, face to face meetings are not advised.

Therefore I have taken the decision to reschedule these for early next term. I cannot yet give you a date as we will need to see what the infection levels are like after Christmas. I want to arrange face to face meetings and will plan for this. If the Covid levels are such that this remains an issue we will plan virtual meetings for you. We had experience of this in the summer term and they worked well but can never be quite as good as coming into school. I will be in touch after Christmas to let you know what we will be putting in place. I apologise for the delay in arranging your meetings and look forward to confirming our plans with you in the new year.

Yours sincerely

Helen Williamson
Headteacher
