Learning, Growing and Achieving Excellence Together

Home-School Agreement

Our Vision:

Aims

At Billingshurst Primary we all respect each other and take responsibility for the care, happiness and safety of ourselves and of others. We all love learning and we are ambitious to achieve excellence, knowing that we are all different but all equally important. We like the fact that we are all different. We do our best to make sure everyone is feeling happy and take action when someone is not. We are all special and unique, and deserve to give and receive the very best from our school.

Values

Our explicit values, taught in a systematic programme across the school year, underpin the ethos and purpose of the school. They are reflected by ALL members of the school community. They are:
Kindness, equality, care, respect, love of learning, excellence, ambition, pride in our school and ourselves, curiosity, happiness, trust, safety and responsibility.

This home-school agreement sets out the expectations for the school, for the partnership with parents and for each child. This supports the education and well-being of each child as well as supporting the wider work of the school and the experience of all the members of the school community.

The school will:

- Care for your child's safety and well-being at all times
- Promote the very highest standards of conduct and learning behaviour
- Celebrate your child's academic and personal achievements
- Make sure that we teach your child to enable them to achieve the highest standards possible in all aspects of school life
- Treat your child as a unique individual
- Encourage your child to live the values we teach, to develop positive attitudes to other school members and to contribute to the school and wider community
- Keep you fully informed of your child's progress, the achievements they make and the wider life of the school
- Support you in developing a love of learning at home through carefully planned homework
