Newsletter No.25
Friday 26th March 2021

Dear Parents / Carers

The end of March is nearly upon us and the nicer weather has meant that the children are enjoying our outside areas. Spring is definitely in the air in the Environmental area and children have had an opportunity to go out and search for signs of spring. For the first time this term, we have been able to have playtimes on the field. However, the wind is often quite chilly so please continue to send your child to school with a jumper / cardigan and a coat.

Children arriving in school

Today, there were quite a few children on school property before 8:30am. Please may we remind you that the gates open for **Year 4 and Year 1 at 8:40am**. Children arriving before 8:40 are not supervised by the school staff and should not be left unattended.

Collecting children

If you have asked someone other than yourselves or your family contact to collect your child, please ring or email the office so that the teacher can be notified. If you have given permission for someone to collect your child regularly and on a particular day each week, please notify the office so that a record of this can be made and teachers informed. Many thanks for your support with keeping the children safe.

Comic Relief (Red Nose Day)

It was lovely to see all the children dressed in red for Red Nose Day last Friday. We raised an amazing £848 double what was raised last time. Well done and thank you to everyone who participated.

Science Week

Next week is science week in school. Our theme is 'Innovating for the Future.' Through this, we will be looking at challenging stereotypes in science. The children will be engaging in exciting and thought provoking investigation and will be encouraged to think about the skills and attributes they need.

Inset

A reminder the school is closed for Inset day training on 1st April and 19th April.

Have a lovely weekend and see you on Monday!

Yours sincerely,

Helen Williamson
