Newsletter No.19
Friday 5th February 2021

Dear Parents / Carers

I hope you are all well and in the swing of things. I know that each family is unique and that you are all doing your absolute best to support the children at home. Whatever you are doing is great and thank you for the lovely work which we get to see each week!

Please do send work in – even if it is just a photo of it on your smartphone. We are keen to ensure all children get feedback on the work they are doing – and so many are – and we would want to see what they are doing and be able to support them. Send the work in to your child's year group email.

The forecast for this weekend and early next week is snow. If it does snow on Monday or Tuesday – or even Wednesday – please switch off the laptops and tablets and go outside and play. Make some happy memories and a few snowmen, snow dogs, snow dinosaurs – whatever you want. Send us in pictures of these too! It so rarely snows that the opportunity cannot be missed. I have probably jinxed it now and the snow will stop 5 miles north but just in case...

Some of you will have heard that one of our adult team tested positive for COVID and that we closed our Year 1 bubble as a precaution. Year 1 is open again from Monday 8th February.

Half Term

A reminder that half term starts Monday 15th February and that there will be no online learning for that week.

Domestic Abuse Support

Please find attached a flyer from Safe in Sussex regarding their Helpline and Webchat services. Safe in Sussex is a registered charity providing help and support for people affected by Domestic Abuse across West Sussex.

Travel Tracker

Travel tracker have set up a new initiative so children can join in from home by recording when your child has done exercise in their home, on a walk, bike or scooter ride. Please see the attached.

Yours sincerely,

Helen Williamson
Headteacher
