Dear Parents,

During this half term Year 5 will be covering a unit of work in Education for Safety (E4S) about relationships, physical and emotional changes that adolescence brings and puberty. There will be opportunities for the children to have discussions and ask questions in the lessons. We will be using a range of resources to support the learning process. The resources have been selected by staff and approved by the Governors. These resources can be accessed through Padlet, using the link below, should you wish to see the resources.

Padlet Link - <https://padlet.com/deputy72/3he64jfmn2u3fp95>

The Department of Education recommends that all primary schools should have a sex education programme tailored to the age and the physical and emotional maturity of the pupils. Billingshurst Primary School follows this guidance and will ensure that both boys and girls are prepared for the changes that adolescence brings and – drawing on knowledge of the human life cycle set out in the national curriculum for science. There is no right to withdraw from Relationships Education or Health Education, however parents do have the right to request that their child be withdrawn from some or all of sex education delivered as part of RSE.

If you have any further questions, please contact your child's teacher through the office.

Yours sincerely,

Miss Rozental  
Year 5 Team
