

Year 6 Optional Home Learning – Autumn 2020

Layers of the Landscape

Here is your choice of home learning. From the activities below, you need to choose 4 to complete over the whole term. We know that you will put in care and effort and complete it to the best of your ability. You can choose how to present your learning. As a starting point you could make; a poster, model, booklet, diagram, leaflet etc. Your learning may be word-processed or completed by hand. **Be creative, enjoy, and we look forward to seeing your learning!**

Choice 1: October 5th **Choice 2:** October 19th **Choice 3:** November 2th **Choice 4:** December 14th

<p><u>Famous Figures</u></p> <p>Rosa Parks, Malala Yousafzai, Anne Frank and Greta Thunberg are famous people you will be studying in RE. Can you research and share/present information about another famous person from history?</p>	<p><u>Animal classification</u></p> <p>In science we will be exploring 'Living things and their habitats.' Choose an animal of your choice to classify and research. Can you compare two of your favourite animals?</p>	<p><u>Try something new!</u></p> <p>This term we have discussed belonging and new beginnings in PHSCE. Can you find a new hobby to try this term? Why don't you learn a new life skill? You might have to take yourself out of your comfort zone!</p>
<p><u>Times Table Rockstars</u></p> <p>Are you a Times Table Rockstar? Are you a Times Table Master? Knowing your times tables and division facts will help you in all areas of Maths. How creative can you be when learning the facts you need to work on?</p>	<p><u>Electricity</u></p> <p>Choose a form of renewable energy and research and create an infographic on this energy source. e.g. solar power</p>	<p><u>Rivers Of The World</u></p> <p>Research some key rivers from across the world. Show their location on a world map; order their length/width and plot data on a graph; compare how the rivers are used by the local people and visitors.</p>
<p><u>Road Safety Week</u> <u>16th – 22th November 2020</u></p> <p>This national week of awareness is organised by BRAKE and you are challenged to design a banner to help raise awareness about road safety. Entries must in school by Monday 2nd November 2020.</p> <p>ROAD SAFETY WEEK <small>by BRAKE, the road safety charity</small></p>	<p><u>Release your inner poet</u></p> <p>Write and perform your own poem. This can be inspired by any aspect of our learning, or even something you are interested in. Remember to think about how you want your words to impact on your listener. You could come and perform in school or video yourself and email your teacher.</p>	<p><u>Free Choice!</u></p> <p>Using all of your amazing skills, choose something to research, explore, design or create related to our learning in school. We look forward to being amazed!</p>
