Dear Parents/Carers

To support your child with returning to school in September, the Inclusion Team have created transition PowerPoints for each class. The purpose of the PowerPoint is to provide your child with photographs to help them familiarise themselves with their learning environment for the next academic year. Please find the PowerPoints located on the school website under the year group pages.

We hope you find the transition PowerPoints useful.

If you have any questions about transition, please contact your child's current class teacher in the first instance.

Yours sincerely,

Mrs K. Towner
Assistant Headteacher/SENDCo
