**To the Parents and Carers of Cambodia Class**

Dear Parents and Carers

I am pleased to tell you that Miss Rozental is returning to Cambodia class from tomorrow. After an extended absence, she is very pleased to be getting back to teaching her class and I know she has missed them all. As Miss Rozental is still in recovery, she will be undertaking a phased return and will be in class on alternate days for the next couple of weeks, building up her stamina and time with the children. The class will continue to be supported by Mrs Mastrangelo and both will be in the class on Tuesday as a time to exchange information on how the children are doing.

I would like to thank Mrs Mastrangelo for all her hard work and commitment to the class throughout the time Miss Rozental has been away and for the period of her phased return. I am grateful for the continuity she has given the class during Miss Rozental's absence.

As the current Covid levels prevent us holding face to face consultations with you, and as Miss Rozental needs a period of time to fully familiarise herself with where the children are in terms of their learning, we will arrange your parents' evening for early next term. The manner of the meetings will be determined by the Covid levels but we hope to arrange face to face meetings with you as soon as we can.

Yours sincerely

Helen Williamson  
Headteacher
