

Welcome to Year 6 2021 - 2022

The teaching team

Miss Mack
China Class

Mr Griffiths
Japan Class

Mrs Hatrick
Year Lead
Russia Class

Mrs Clyne
Intervention

Mrs Sloan

Mrs Bradley

Mrs Lewsley

The learning support team

Mrs Pullen

Mrs Martin & Mrs Marr

Our aims

- to develop independence
- provide opportunity for greater responsibility
- embed a love of learning
- enable children to reach their potential
- prepare children for secondary school

Overview of the year

Autumn term:

‘What is a River?’ is the project driving our curriculum. This project is humanities based and throughout the term we will explore a river’s physical features and their importance in our lives. We will also use the metaphor of a river as a journey to link art, music, dance and culture together.

Spring term: ‘World War Two’ will be the focus of our learning. Using literature, drama and a variety of historical sources, we will explore the impact and legacy of WW2 on Britain and the wider world.

Summer term: Our final project is based around a Shakespeare play (to be confirmed). This provides us with a wonderful opportunity to immerse the children in drama and our literary heritage, inspiring an appreciation of language and the performing arts.

Items to bring to school

- water bottle
- healthy snack for break (fruit or vegetables)
- log and learn spelling book
- reading book
- PE kit

In Winter:

water proof coat
wellington boots

In Summer:

sun cream & hat

How you can support at home

- encourage regular reading
- practise times table gap facts
- practise spellings
- encourage children to talk and share their learning
- support homework activities

Blackland Farm Trip

An opportunity to develop:

- teamwork
- resilience
- independence
- love of the outdoors
- confidence
- a sense of adventure!
